

Bonfires on the Levee

Name: _____

Bonfires on the Levee

Color the bonfire and then glue on some flames from Page 3 to create your own bonfire.

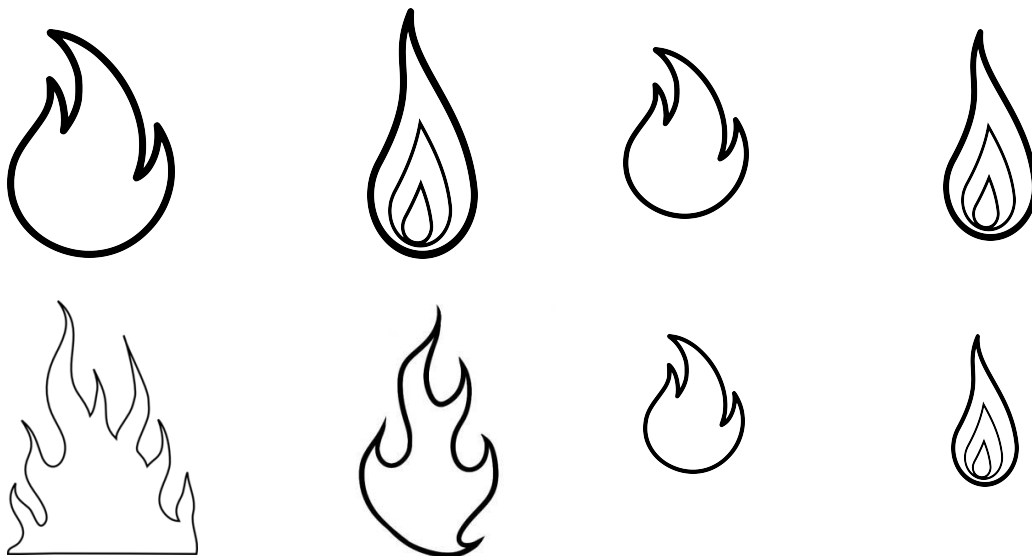

Bonfires on the Levee

There are three ways you can add flames to the bonfire on Page 2.

1) Cut out your favorite flames and glue them on the bonfire on Page 2.

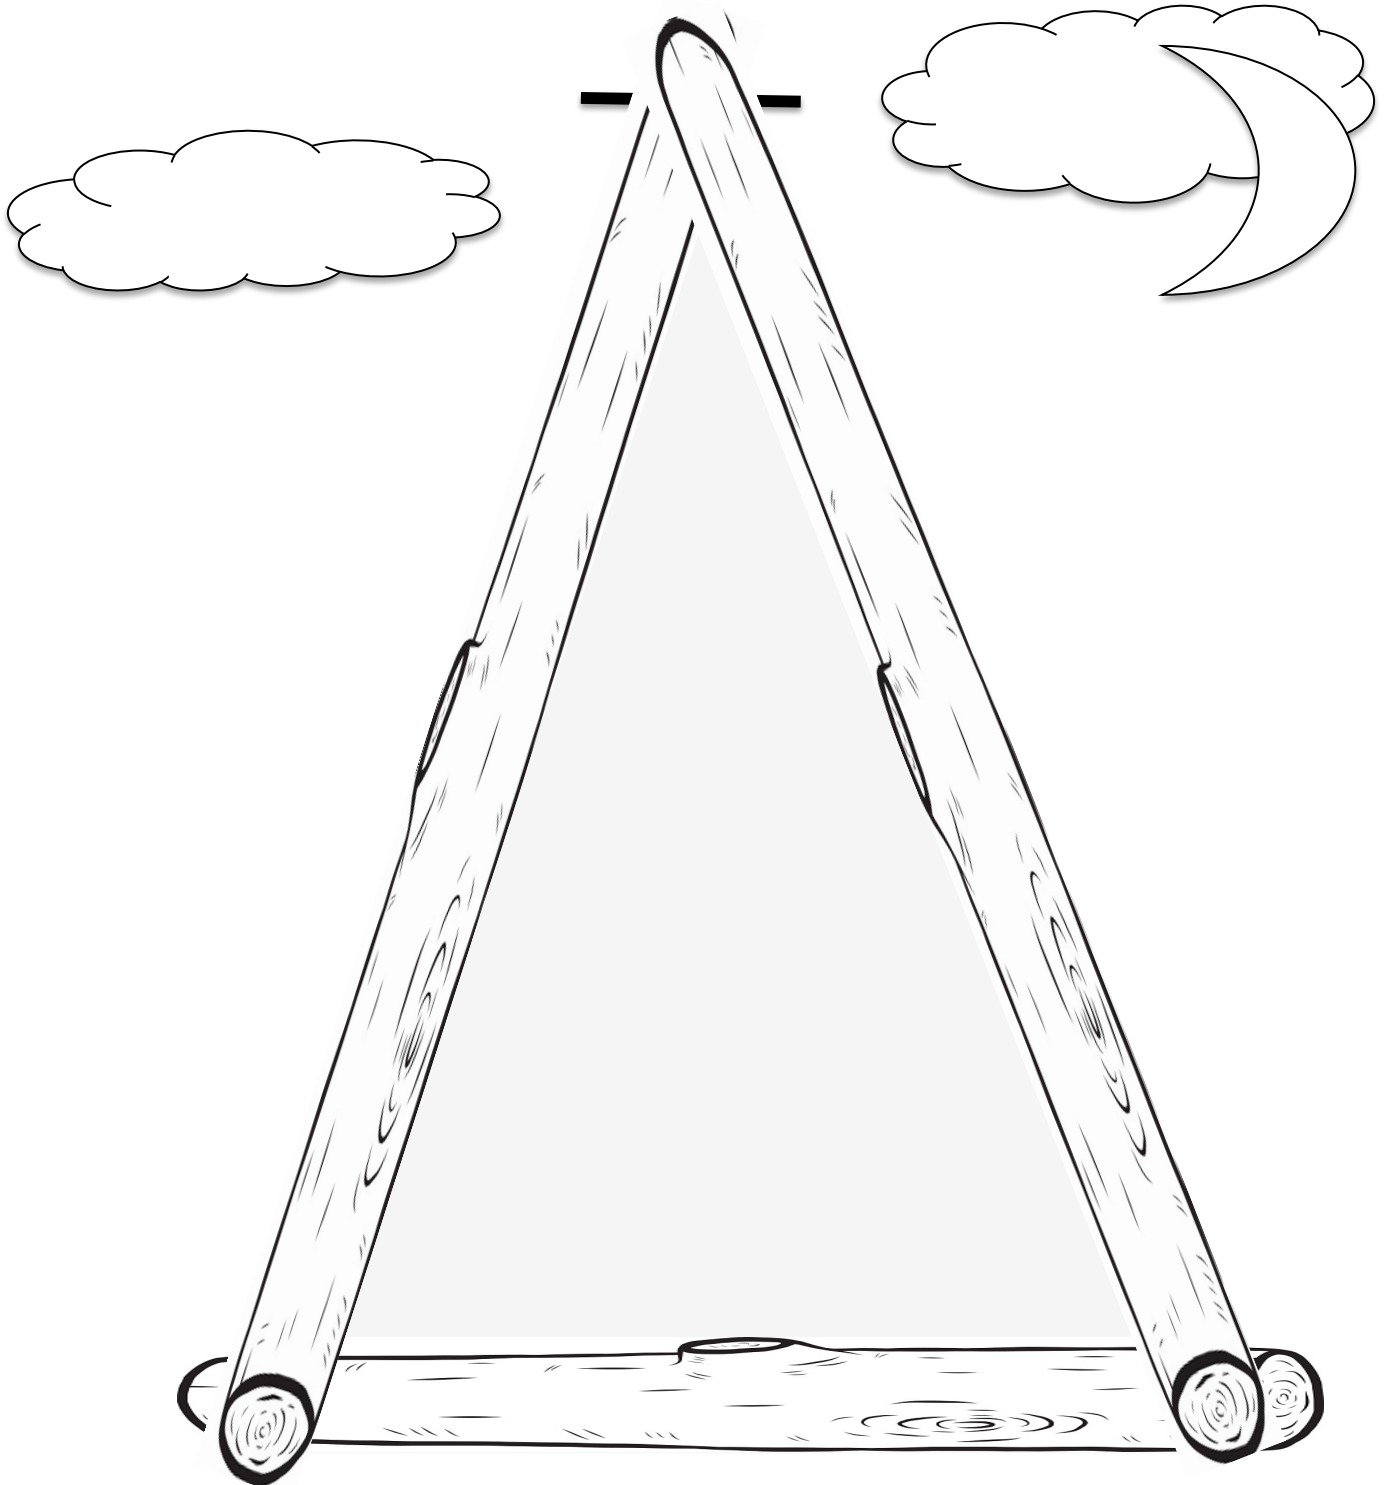

2) Color and cut out your favorite flames, and glue them on the bonfire on Page 2.

3) Using construction paper, cut out your own flame shapes, and glue them on the bonfire on Page 2.

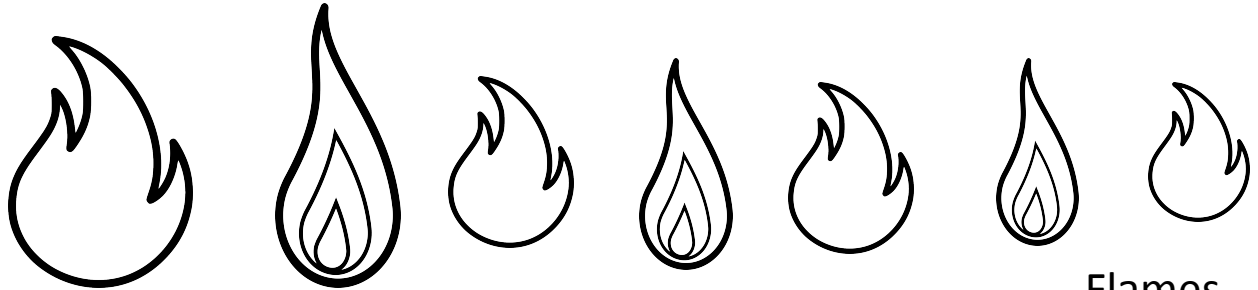

Build a Louisiana Bonfire

Color the images, and then glue on some logs, rings and flames from Page 5 to build your very own bonfire.

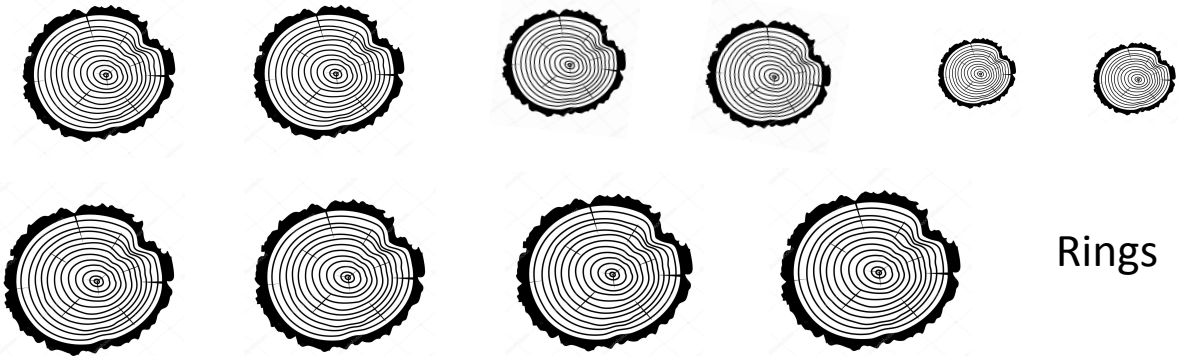

Build a Louisiana Bonfire

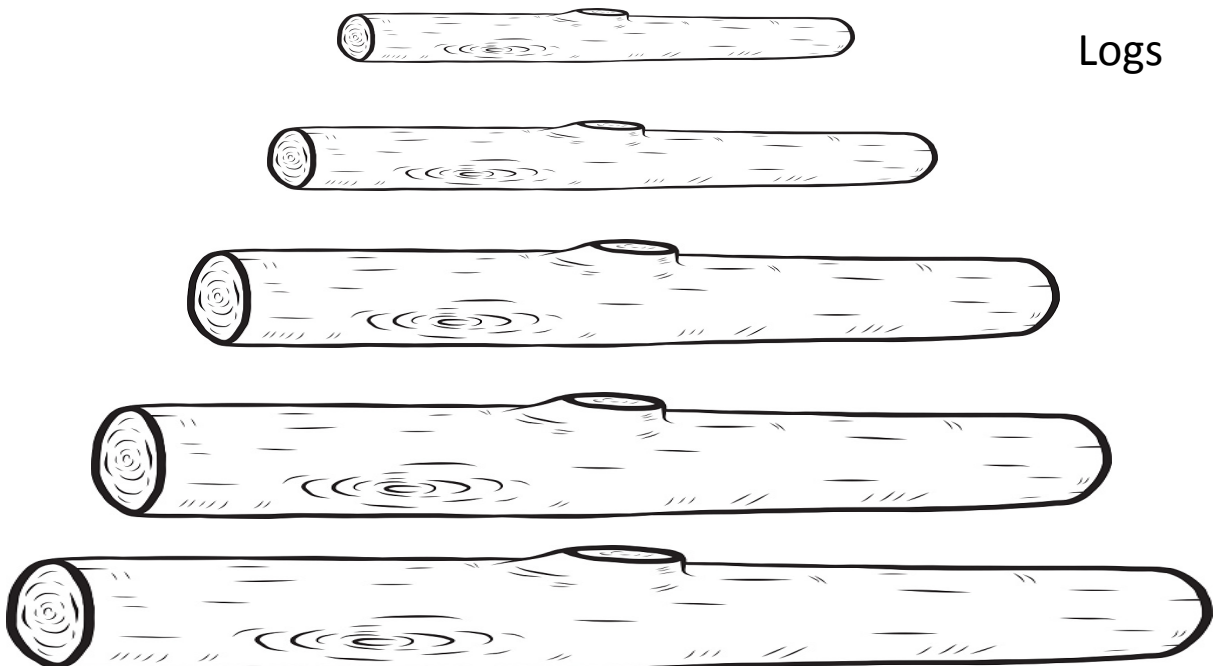

Color, cut and glue some flames, log rings and logs onto the bonfire sheet Page 4 to build your very own bonfire.
